Even in Hollywood, faux tans are hard to pull off!

NOT

Oops! Tara missed her hands

It looks like two-toned Tara Reid washed after using self-tanner to get it off her palms (as advised), but she should've reapplied it to the backs of her hands, says Vargas.

Linds got hard-to-reach places!

Even Lindsay Lohan's back is perfectly tanned. Vargas thinks the beach girl exfoliated, then had self-tanner professionally applied.
